

Federal sponsor for the projects of the Plan prior to initiation of design activities with that non-Federal sponsor.

(b) Any procedures, guidance, or documents developed by the Corps of Engineers and the non-Federal sponsor pursuant to a design agreement shall be consistent with this part.

#### § 385.17 Project Delivery Team.

(a) In accordance with the procedures of the Corps of Engineers business process described in Engineer Regulation ER 5-1-11 "US Army Corps of Engineers Business process," the Corps of Engineers and the non-Federal sponsor shall form a Project Delivery Team to develop the products necessary to implement each project.

(b) The Corps of Engineers shall assign, and the non-Federal sponsor may assign, a project manager to lead the Project Delivery Team.

(c) The Corps of Engineers and the South Florida Water Management District shall encourage the participation of other Federal, State, and local agencies and the Miccosukee Tribe of Indians of Florida and the Seminole Tribe of Florida on Project Delivery Teams, and use their expertise to ensure that information developed by the Project Delivery Team is shared with agencies, tribes, and the public at the earliest possible time in the implementation process. In forming the Project Delivery Team, the Corps of Engineers and the non-Federal sponsor shall request that the Department of the Interior, the Environmental Protection Agency, the Department of Commerce, the Miccosukee Tribe of Indians of Florida, the Seminole Tribe of Florida, the Florida Department of Environmental Protection, and other Federal, State, and local agencies participate on the Project Delivery Team.

(1) In general, participation on the Project Delivery Team shall be the financial responsibility of the participating agency or tribe. However, the Corps of Engineers shall provide funding for the U.S. Fish and Wildlife Service and the National Marine Fisheries Service to prepare Fish and Wildlife Coordination Act Reports, as required by applicable law, regulation, or agency procedures.

(2) Participation by an agency or tribe on the Project Delivery Team shall not be considered or construed to be a substitute for consultation, coordination, or other activities required by applicable law or this part.

(d) Documents and work products prepared or developed by the Project Delivery Team shall not be self-executing, but shall be provided as information for consideration by the Corps of Engineers and the non-Federal sponsor, in consultation with the Department of the Interior, the Environmental Protection Agency, the Department of Commerce, the Seminole Tribe of Florida, the Miccosukee Tribe of Indians of Florida, the Florida Department of Environmental Protection, and other Federal, State, and local agencies.

#### § 385.18 Public outreach.

(a) *Goals.* (1) The goal of public outreach is to open and maintain channels of communication with the public throughout the implementation process for the Plan in order to:

(i) Provide information about proposed activities;

(ii) Make the public's desires, needs, and concerns known to decision-makers before decisions are reached; and

(iii) Consider and respond to the public's views in reaching decisions.

(2) In carrying out implementation activities for the Plan, the Corps of Engineers and non-Federal sponsors shall undertake outreach activities to:

(i) Increase general public awareness for the Plan;

(ii) Involve interested groups and interested communities in the decision-making process and incorporate public values into decisions;

(iii) Better serve and involve minority communities and traditionally under served communities, persons with limited English proficiency, and socially and economically disadvantaged individuals;

(iv) Improve the substantive quality of decisions as a result of public participation; and

(v) Reduce conflict among interested and affected parties by building agreement or consensus on solutions to emerging issues.
